Hi Phil,

Yes, I believe the denial log will be enclosed with the email that is sent to the recipient. I've attached a copy of it here.

Hi Karen – yes I believe we are covered and it can be removed from Scout. The letter refers to a an enclosed denial log, however, I did not see an enclosure. Maybe this is the email that the recipient will receive? Thanks for your hard work on this!

Hi Phil,

I just wanted to let you know that the letter related to the Ouachita Riverkeeper petition FOIA has been signed. This should complete this request. Sue, I believe you can remove this from SCOUT now (Phil, please correct me if I am wrong on that).

Thanks,
Karen

LaGayla,

If you want I can send the interim and let him know :

This is an interim release of responsive records to your FOIA request. A final response letter and denial log will follow soon.

Maybe extend the due date in FOIA online till ?(what date)

Sound ok?

LaGayla,

Once you get this denial log, can you send to me in PDF. In the mean time I will check with Yerusha on concurrence of the letter too. Once letter concurred by 6RC, then I can get the letter and denial log to ARA for signature.

Greatly appreciated.

Morning Leticia,

The documents have been uploaded. I am waiting on the denial log from Yerusha. She needed to get Renea to concur since she review the documents.

Hi Edwina. Things have been a bit crazy the last week or so – and I'm leaving this afternoon for travel to Ark. I'll be back in the office Friday and I hope to get to this FOIA and 010242 (Karen's) then. Sorry for the delay. Renea
